MILITARY EXEMPT LASER INVENTORY FORMAT

From: Commander, Space and Naval Warfare Systems Command
To: (SPAWAR 00F)

Subj: EXEMPT LASER INVENTORY REPORT FOR FY

INSTRUCTIONS: Lasers should be grouped. All lasers included on one entry sheet must have identical characteristics, i.e., same contract number, same NSN, same function, same delivery date, same disposal date, etc. Only their serial numbers and plant account numbers can be different. List beginning and ending serial/plat account numbers for continuous sequences. If classified, any field except contract number may be left blank for reasons of national security.

System Name _____ AN/ _____ Type _____ Class _____
